Healthy Aging for All

Everyone should have the opportunities that aging brings. In our work to extend healthy life expectancy and quality of life for everyone, The Center is committed to creating an environment that is welcoming, just, equitable, and inclusive, without biases or discrimination based on differences of any kind. The only healthy environment is one that reflects and respects the rich diversity of the communities we serve.

- You can pay for membership on a monthly basis or all at once.
- If you opt for Standard when you join but later decide you'd prefer Prime, no worries—you can switch at any time from Standard to Prime and vice versa. Households can also combine Standard and Prime.

Membership + Philanthropic Giving = Healthy Aging for All

The Center receives no operating funding from state, local, or federal governments and, as a nonprofit, depends on philanthropic support from individuals, foundations, corporations, and civic groups to fund the greater part of its annual operations and keep the cost of membership affordable. Philanthropic support also provides scholarship funds for seniors who express financial need. Our members are our best and most loyal donors because they see the value of The Center every day.

The Center is an independent nonprofit with 501(c)(3) tax-exempt status whose mission is to create opportunities for healthy aging through social engagement, physical well-being, civic involvement, creativity, and lifelong learning.

New home, same heart

One of Charlottesville's hidden gems for 60 years, The Center has touched lives by bringing people together in a vibrant community.

Now The Center at Belvedere is a new home for healthy aging and a hub for community interaction.
