**Independent Auditors' Report** 

To the Board of Directors Senior Center, Incorporated Charlottesville, Virginia

# Opinion

We have audited the accompanying financial statements of Senior Center, Incorporated (a nonprofit organization), which comprise the consolidated statement of financial position as of March 31, 2024, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Senior Center, Incorporated as of March 31, 2024, and the consolidated changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

# **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Senior Center, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# **Responsibilities of Management for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Senior Center, Inc.'s ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

# Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Senior Center, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Senior Center, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Report on Summarized Comparative Information**

We have previously audited Senior Center, Inc.'s 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated June 30, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended March 31, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### **Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The consolidating information on pages 18-20 is presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position, results of operations, and cash flows of the individual companies and it is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

# NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

### A. <u>Description and Purpose of Organization:</u>

Senior Center, Inc. ("The Center") dba The Center and The Center at Belvedere is a nonprofit organization which principally serves the population of those age 50 and over in the City of Charlottesville, the County of Albemarle, and the surrounding area. The purpose of The Center is to positively impact its community by creating opportunities for healthy aging through social engagement, physical well-being, civic involvement, creativity, and lifelong learning.

The Center is a franchisee of Greenberry's Coffee Co. which opened a location in June, 2020 at The Center at Belvedere. In an effort to manage liability risk to the corporation an LLC has been created (The Center Café LLC). This entity is fully controlled by The Center as the sole owner. The Executive Director is named as the LLC's Manager as identified in the Operating Agreement between the LLC and Senior Center Inc.

The LLC has a separate tax ID, separate chart of accounts, separate bank account, separate insurance and is managed as an enterprise of The Center Café. Upfit and start-up costs to build and equip Greenberry's were incurred by the Capital Campaign as part of construction.

Greenberry's at The Center operates as a lessee of the space from The Center.

B. Basis of Accounting:

The financial statements of The Center have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other assets/liabilities.

C. Principles of Consolidation:

The accompanying consolidated financial statements include the account of Senior Center, Inc. and The Center Café LLC. All intercompany balances and significant intercompany transaction have been eliminated.

D. Concentrations of Credit Risk:

The Center maintains its cash and cash equivalent balances at one financial institution located in Virginia. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. At March 31, 2024, The Center had uninsured cash balances in the amount of \$306,663. The Finance Committee of the Senior Center, Inc. regularly monitors cash balances and concentration of risks.

E. <u>Quasi Endowment:</u>

The Center maintains three quasi endowment funds as components of its net assets without donor restriction, where planned or unanticipated gifts are contributed. The goal of the funds is to provide an adequate reserve and smooth flow of distributions to supplement The Center's operating budget. Distribution guidelines permit withdrawals in an amount equal to 4% of the average of the fair market value of the fund on an annual basis.

# NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

#### F. Donated Property and Equipment:

Donations of property and equipment are recorded as contributions at fair value of the date of donation. The Center reports gifts of land, buildings, and equipment as support without donor restriction unless explicit donor stipulations specify how the donated assets must be used. Donations of long-lived assets with explicit restrictions that specify how the assets are to be used and donations of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restriction. Absent explicit donor stipulations about how long these long-lived assets must be maintained, The Center reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service as instructed by the donor. No significant non-financial contributions were received by Senior Center, Inc in fiscal year 2024.

# G. Financial Statement Presentation:

The Center is required to report information regarding its financial position and activities according to two classes of net assets based on the existence or absence of donor-imposed restrictions:

*Net assets without donor restrictions*: Net assets that are not subject to donor-imposed stipulations. At March 31, 2024 The Center had net assets without donor restrictions of \$14,882,643.

*Net assets with donor restrictions*: Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Center and/or the passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. At March 31, 2024, The Center had net assets with donor restrictions of \$229,264.

# H. Contributions Receivable:

Contributions are recognized when the donor makes a promise to give to The Center that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. The allowance for uncollectible contributions is estimated based upon historical collection rates and specific identification of uncollectible amounts. Unconditional contributions, net of the allowance of \$0, totaled \$180,917 at March 31, 2024. \$147,237 of the balance at March 31, 2024 is expected to be paid to The Center within one year (FY2025), and the remaining \$33,680 is expected in FY2026. The Center is the beneficiary under a Designated Agency Fund Agreement with Charlottesville Area Community Foundation. The agency fund has been recorded in accordance with generally accepted accounting principles which state that if a community foundation receives assets from a nonprofit organization that specifies itself or its affiliate as the beneficiary, those assets are not considered a contribution to the foundation, regardless of the variance power of the foundation. The assets of the fund are included in the Statement of Financial Position of The Center as a beneficial interest in agency fund held by third party. Distributions are to be paid upon the request of The Center and the approval of the foundation; the latter not withheld without significant cause. In addition, the fund is charged an annual 1.0% administrative fee on the fund balance, to be paid quarterly.

The changes in the agency fund are detailed in Note 9 for year ended March 31, 2024.

# NOTE 8 – INVESTMENT RETURNS:

A summary of investment return of the investments held by The Center through a 3rd party as of March 31, 2024, follows:

Dividend and interest income	\$	10,461
Realized and unrealized gain/(loss)		80,122
Administration expense	_	(9,746)
Net investment returns	\$	80,837

#### NOTE 9 – BOARD-DESIGNATED ENDOWMENT:

The Center's endowment consists of three individual funds. The first fund, Elizabeth A. Seabrook Quasi-Endowment, was established to help ensure the continued vitality of The Center and its ability to be responsive to the needs of the Community while carrying out its mission. The second fund established is the Ralph L. Feil Scholarship Fund, which is to be used to subsidize individual membership fees and program fees. Its endowment is made up solely of funds designated by the Board of Directors to function as Quasi-endowments. The third Quasi-endowment is the Peter M. Thompson endowment for Capital Renewal and Professional Development, in honor of Thompson's 24 years of service to healthy aging in Charlottesville. As required by Generally Accepted Accounting Principles, net assets associated with endowment funds, including funds designated by the Board of Directors to function. As stated in Note 1(E), The Center had no donor-imposed restrictions on its board-designated fund, thereby resulting in it having no net assets with donor restrictions.

# NOTE 9 - BOARD-DESIGNATED ENDOWMENT: (Continued)

#### **Return Objectives and Risk Parameters:**

The Center has adopted investment and spending policies, approved by the Board of Directors, that are intended to provide for reasonable long-term capital growth, while mitigating undue risk to the principal. The policies cover its endowment assets, including those assets that are board-designated funds.

# Strategies Employed for Achieving Objectives:

To satisfy its long-term rate-of-return objectives, The Center relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Center targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

# Spending Policy and How the Investment Objectives Relate to Spending Policy:

The Center has a spending policy based on the total return concept that governs the rate at which funds are transferred from the Endowment Fund to the operating budget. The spending policy permits withdrawals in an amount equal to 4% of the average of the fair value of the fund per year.

Composition of and change in endowment net assets for the year ended March 31, 2024, were as follows:

Board-designated endowment net assets, beginning of year	\$ 620,001
Contributions Distributions Interest and dividends Realized and unrealized gains (losses) Administration fees	 158,511 (57,000) 10,461 80,122 (9,746)
Board-designated endowment net assets, end of year	\$ 802,349

#### NOTE 10 - FAIR VALUE MEASUREMENTS:

Fair value for investments is determined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The three-level fair value hierarchy prioritizes the inputs used to measure fair value. This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

- Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2 Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

# NOTE 10 - FAIR VALUE MEASUREMENTS: (Continued)

• Level 3 — Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The Center is providing the following information related to its investments:

			Fair Value Measurements at Reporting Date Using					
		Total 3/31/2024	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)			
Beneficial interest in agency fund held by third party	\$	643,838	-	\$	\$ 643,838			
Total	\$_	643,838		\$	\$ 643,838			

The Level 3 assets represent a beneficial interest in amounts invested in Charlottesville Area Community Foundation's (CACF) investment pool. The valuation of this investment is based upon the inputs used by CACF to value the underlying assets.

# NOTE 11 - LIQUIDITY AND AVAILABILITY:

The Center monitors its liquidity so that it can meet its operating needs and other contractual commitments while maximizing the investment of its excess operating cash. The Center has the following financial assets that could readily be made available within one year of the statement of financial position to fund expenses without limitations:

Financial assets:	
Cash and cash equivalents	\$ 493,460
Contributions receivable	180,917
Accounts receivable	15,769
Beneficial interest in agency fund held by third party	 643,838
Total financial assets	\$ 1,333,984
Less those unavailable for general expenditure within one year due to:	
Maturity in over one year	\$ 52,930
Total unavailable assets	\$ 52,930
Financial assets available to meet cash needs for general expenditures within one year	\$ 1,281,054

In addition to financial assets available to meet general expenditures over the year, The Center anticipates covering its general expenditures by collecting sufficient donations and other revenues and by utilizing donor-restricted resources from current and prior years' donations, as needed. The statement of cash flows identifies the sources and uses of The Center's cash and shows negative cash flow of \$56,230 for the fiscal year ending March 31, 2024.
