

## Waitlist for Programs

Is a class full that you really want to take? We are happy to add you to the waitlist!

Simply email [programs@thecentercville.org](mailto:programs@thecentercville.org) with the following information:

(1) your name

(2) the name of the class

(3) the date of the class

We will reply when you have been added to the waitlist and if a spot becomes available, we will move you into the program.

It is your responsibility to check your activities to see if you have been moved into the program UNLESS it occurs on the same day as the program. In this instance we will text or email to let you know.

Don't use email? **That's okay**—you can call or stop by the Welcome Desk for assistance or speak with anyone on the Programs team.
